

An abstract painting featuring several overlapping, semi-transparent circles in various shades of blue, teal, and purple. The circles are layered, creating a sense of depth and movement. The background is a light, neutral color, which makes the vibrant colors of the circles stand out. The overall composition is dynamic and visually engaging.

“Serendipia” nace del encuentro con lo natural. Entre azules y violetas, formas orgánicas y veladuras, la artista deja un registro de su interpretación del fluir con lo simple y con lo que está presente; con eso que ella percibe como valioso y bello; invitando al espectador a conectarse con aquello que a veces, al estar inmerso en lo cotidiano, se deja de ver.

The background of the image is a watercolor-style illustration featuring several overlapping circles in various shades of blue and purple. The colors are soft and blended, with some darker spots and textures. The circles vary in size and are scattered across the frame, creating a sense of depth and movement.
